egeplast

Uncompromising quality for transport pipelines

Barrier Pipe SLA®

Impermeable piping system for the protection of potable water – our foodstuff No. 1

egeSmart:Integrity DCS

Drinking water pipe system for intermittent monitoring and early identification of pipeline damages

egeSmart:Leak Control 3L

Sewage pipe system for intermittent or permanent monitoring and precise leak localisation

HexelOne® SLM

Self-reinforced polyethylene high-pressure pipe for applications involving particularly high operating pressures

Green Gas Pipes

Self-reinforced polyethylene high-pressure pipe to establish future-oriented hydrogen networks

Product under development

Macroduct Mono

Cable protection pipe – to protect control lines

Power Protect

Cable protection pipe – to protect high and extra-high voltage power lines
